

FACT SHEET

May 2007

US 60 (Grand Avenue)

Regional Transportation Plan Phases

Phase I	2006 -2010	Phase III	2016-2020
Phase II	2011-2015	Phase IV	2021-2025

*Project pending environmental process

US 60 (Grand Avenue)– 99th to 83rd Avenues

- **Schedule:** Phase I (2006-2010)*
- **Project summary:** Funding is included in the RTP to widen Grand Avenue by one general-purpose lane in each direction to create a continuous six-lane arterial roadway.

This project is currently in the final design phase. Construction of this section is anticipated to start in spring 2008 and be completed by late summer 2009.

US 60 (Grand Avenue)– Loop 303 to 99th Avenue

I. WIDENING PROJECT

- **Schedule:** Phase I (2006-2010)*
- **Project summary:** Funding is included in the RTP to widen Grand Avenue by one general-purpose lane in each direction to create a continuous six-lane arterial roadway.

Final design for widening Grand Avenue from 99th Avenue to Loop 303 is slated to begin in summer 2007. Construction of this section is anticipated to begin in early 2009 and be completed by summer 2010.

II. OTHER IMPROVEMENTS

- **Schedule:** Phase II (2011-2015)*
- **Project summary:** Funding is included in the RTP for improvements to traffic flow and other general improvements. Proposed improvements will be identified after future studies and may include grade separation at intersections (underpasses and overpasses), access management and/or other measures.

US 60 (Grand Avenue)– Loop 101 (Agua Fria Freeway) to McDowell Road*

- **Schedule:** Phase I (2006-2010)* of the RTP.
- **Project summary:** Funding is included in the Regional Transportation Plan for improvements to traffic flow and other general improvements, which will be recommended after future studies.

US 60 (Grand Avenue)– Loop 101 (Agua Fria Freeway) to Van Buren Street*

I. GENERAL IMPROVEMENTS

- **Schedule:** Phase II (2011-2015)*
- **Project summary:** Funding is included in the RTP for measures to improve traffic flow and other general improvements, which will be recommended after future studies.

II. GENERAL IMPROVEMENTS

- **Schedule:** Phase IV (2021-2025)*
- **Project summary:** Funding is included in the RTP for measures to improve traffic flow and other general improvements. Proposed projects include grade separations (underpasses and overpasses) at 51st Avenue/ Bethany Home Road, 35th Avenue/Indian School Road and 19th Avenue/McDowell Road, intersection improvements at Peoria and 83rd avenues, as well as other general improvements.
